

## **Renovation Team January 2024 Monthly Recap**

### **Renovation Team Members:**

Cindi Cozza, Libbie Fiechter, Martha Holler, Sherry Lawton-Fasic, John Newlin, Mike Socha, and Alexia Wolf

Your Renovation Team continued to work behind the scenes through the holiday season, though they took a break from meeting, allowing them to spend precious time with friends and family. The team met for the first time in 2024 to kick the New Year off right.

### **Completed Tasks:**

- A campaign has been developed that encompasses marketing, social media, and public relations for the church and is ready for implementation.
- An available budget for marketing has been identified and the proposed usage of said budget has been approved.
- A clear job description has been written for the Children & Youth Ministry Team, the size of the team has been determined, and the team is being recruited.
- A clear welcome path for newcomers (churched and unchurched, singles and families of all ages) that includes processes for first-time visitors, an introduction to the church and its leaders, and integration into parish life and ministry has been implemented. A system within the church's database, ShelbyNext, is being finished, and then this will be ready for use.
- A portion of new member welcoming includes an opportunity for newcomers to be introduced to the discipline of pledging.

### **What's Next:**

- The Renovation Team has been ranking the remaining benchmarks of the strategic plan so that the highest priorities rise to the top.
- Renovation Team members are deciding which tasks/benchmarks they want to take ownership of before work begins.
